Blessed to have another wonderful week of learning. Going into this week we are continuing to explore the sky above us and the wonders of what is in the sea. How did God created all of this? Let us discover and find out. We will be talking about St. Olympias. All things starting with the letter "O" will be discussed. Our focus for this week will be everything that happens in the "Ocean". Next week we will have our Valentine's Day party so please read the sign up list for the information provided.

- Valentine's Party

Almighty and loving Father, I thank you for giving St. Gerard to us as a most appealing model and powerful friend. By his example, he showed us how to love and trust you. You have showered many blessings on those who call upon him. For your greater glory and my welfare, please grant me the favors which I ask in his name.

(Here mention them privately)

And you, my powerful patron, intercede for me before the throne of God. Draw near to that throne and do not leave it until you have been heard. O good saint, to you I address my feverent prayers; graciously accept them and let me experience in some way the effects of your powerful intercession. Amen.
