Mrs. Park

Septiembre 2017

Edición #1

## ¡Hola! Bienvenidos!

My name is Carmen Park and I would like to introduce myself as the Spanish Teacher for the SMCP 2017-2018 academic year. I was born and raised in Piedras Negras Coahuila, Mexico, and I moved to the United States 25 years ago after I got married.

Each class will have a weekly designated time for Spanish class. The lesson will consist of Spanish language skills and various aspects of Spanish-speaking cultures. I am very excited to work with each and every child! It is our belief that learning a foreign language should be a fun and rewarding experience for your child. We will incorporate many kinds of activities, including music and games, into each Spanish lesson to make it enjoyable for all students!

### What we are learning:

We began our Spanish lessons by learning how to communicate with our friends.

We are learning some songs that are easy to remember to help the children begin to think in another language.
