Patrick

Dearest Heavenly Father,

I want to thank you for the precious gift of love you have given to the world and to me. Thank you for blessing me every day with this love and the power and strength that I get from you every single day. Without your love for me I can't be....I can't function....I can't even breathe...because I NEED your love to sustain me. It's like food and medicine for my soul Lord.

Please continue to let me feel your comforting love in my life and Lord I give myself over to you to perfect in me this gift of love...that I may be able to express it and share it with others.

Lord...I have not always been good at this...forgive me. Lord...some people are harder to love than others...but I want to be like your Son Jesus...so please continue the work you are doing in my heart so my heart will be like yours. In

Jesus name I pray.

Father I love you so much!
