Parent Reminders

- We are still fighting to stop the spread of the flu! If members of your family are experiencing flu-like symptoms PLEASE consider keeping your child at home even if the child is not the one with the symptoms. Since we never know if your child might be coming down with it, this is a preventative measure to help keep our students and teachers healthy.
- We are finalizing plans for next year's classes, so please make sure you submit your registration deposit as soon as possible.
- This Wednesday, the dentist's office will be visiting us to remind us about the importance of brushing our teeth! This is a low-pressure visit with a simple discussion of dental hygiene and healthy eating.

Last week:

Last week we learned about the letter Q. We painted with Q-tips and made a duck that says "quack!" We learned that Mary is the Queen of Heaven. We also had a visit from Fr. Norbert on Ash Wednesday and many members of our class received ashes. These ashes are a way for us to tell the world, "I love Jesus!"

This week:

This week we will learn about letter R. We will discuss the rosary and learn how it is prayed. We will talk about Noah's ark and the beautiful rainbow God sent after the great flood. We will learn the colors of the rainbow and make a rainbow craft. We will also sort rainbow Fruit Loops and rainbow bears and will play with rainbow pegs!
