

Ms. Lindsey's Class News

February 11, 2019

A Note from the Teacher:

Last week, we had a GRAND time celebrating the 100th day of Kindergarten!!

This week, we will learn sight word 'this' and talk about 'short e.' We will also complete Valentine's Day activities and complete Dynamic Indicators of Basic Early Literacy Skills (DIBELS) testing.

In Science, we will learn about dental health and how to take good care of our teeth. We are learning about dental health this month since February is National Children's Dental Health month. Today, we had a Greenleaf dentist visit us! In April, we are planning for a field trip to visit a dentist office! There will be more details to follow soon.

Reminder: Valentine's boxes are due TOMORROW! On Thursday at 11 am we will have our Valentine's Day party. Please remember to bring the item(s) that you signed up to bring for our party. Thank you! :-)

Upcoming Dates to Remember:

Feb. 12- Valentine's Day boxes due
Feb. 14- Valentine's Day class party @ 11:00
